PROPERTY DESCRIPTION

A two story foyer welcomes you to this lovely home that sparkles with updates and upgrades and is filled with decorator touches. This home is perfect for casual living or formal entertaining. Three finished levels offer an updated table space kitchen and a large family room with fireplace and firewood niche. A spacious window surround sunroom boasts sliding glass doors leading to the party sized deck on one side of the room and a large stone paver patio on the other side of the room. The master suite has a large palladian window and features a walk-in closet and private bathroom plus there are three other bedrooms on the upper level - two of the bedrooms being a unique Jack and Jill suite with an adjoining study/play area. The finished lower level offers a large recreation room with sliding glass doors leading to the outside and lovely fenced in backyard. Beautiful hardwood floors enhance this home that has closet/storage space galore!!
